

FISCAL NOTE

HB 523 - SB 549

April 22, 2003

SUMMARY OF BILL: Removes the provision that licensed caterers may sell alcoholic beverages at sites other than their permanent catering hall.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Not Significant
Decrease Local Govt. Revenues - Not Significant

Estimate assumes that most events that a caterer would otherwise be hosting would be catered by a hotel or restaurant that have a catering license. Therefore any impact on state and local government revenue is estimated to be not significant.
